

Attention grabbing statements

- If you saved the same amount over the next 20 years as you have over the last 20 years would you have enough to live on?
- 2 week holiday and money runs out on the second week – which week was most enjoyable? – Example to highlight under funding pension.
- Which would you like to be?
A retired gentleman Or An old age pensioner?
- How would you feel if your partners spouse joined with you to manage the company?
- Where would your business be today if you died last week?
- I have recently negotiated with the Revenue that Directors, such as yourself can retire at age 50! How would you feel about such a situation?
- What would Laurel have done without Hardy? What would Proctor have done without Gamble? What would Jim and Frank do without you?
- I'd like to show you a way that can get your tax inspector to invest in your business – how would you feel about that?
- What is your attitude to your son having to pay 40% of the value of your business to your tax inspector?
- I need to talk to you today, about a matter of life and death! Your company's life and your partners' death!
- What's your attitude to your company giving you a big income as well as a huge tax free lump sum when you retire?
- Mr. xxxx, you don't have to be dead to get the benefits of the life assurance anymore!
- How would you like to take substantial tax free money out of your company – legitimately?
- Have you got a self cancelling overdraft facility?
- Following the recent Budget and its restrictions, there are still ways to turn company profits into personal cash. We specialise in schemes to help you do just that...
- I specialise in helping people, like yourself, who run their own business to take substantial tax free money – legitimately out of their company, interested?
- When did you last have a pension audit?
