

# Safe Deposit Fund

## Pension/Investment

Snapshot	Objective		To offer deposit style returns within a unit linked plan
	Style		Cash Deposit
	Size		€204 Million
	Asset Mix		Cash Deposits
	Volatility/Risk		Low Risk

This fund offers competitive deposit style returns within a unit linked plan.

### Objective

- The aim of the Safe Deposit Fund is to give customers a competitive rate of return for investments by investing in deposit accounts with Irish banks.

### Operation

- The Safe Deposit Fund is a unit-linked fund. The underlying asset in the fund is in a deposit account and the interest rates that it will earn are outlined below. The unit price of the Safe Deposit Fund will change each day to reflect the interest earned less the fund charge.

100%  
Deposit Account

Date it applies	AER* (interest rate)	Annual fund charge (before fund charge)
Until 29 March 2013	ECB rate** + 1.75%	As outlined in product booklet
After 29 March 2013	Current variable rate	As outlined in product booklet

\*AER is the annual equivalent rate applying currently.

\*\*ECB is the European Central Bank rate which could be higher or lower at the date you decide to invest in this fund. The current ECB rate is available on the Irish Life website at [www.irishlife.ie](http://www.irishlife.ie).

**Warning: The value of your investment may go down as well as up.**

### Suitability

- This fund is suited to investors who are looking to invest in a low risk fund.
- This fund is a short term opportunity, with a view to investing in other funds on a longer term basis.

Minimum investment, early encashment and fund charges will apply depending on the product invested in. Irish Life will invest your contributions (less any entry charge) in a deposit account with one or a combination of the following Irish banks - **permanent tsb**, AIB, Bank of Ireland or EBS. However your contract is with us, Irish Life Assurance plc. We are committed to passing on the full value of the amounts we receive from this deposit account to you, less the fund charge. This means that if any of these banks are unable to meet their commitments to Irish Life, then you could receive less than the original amount invested in this fund or returns which are less than those stated above.

**Warning: If you invest in this product you may lose some or all of the money you invest.**

Information correct as at 01 October 2012.

Irish Life Assurance plc is regulated by the Central Bank of Ireland.
