We all know that when it comes to protecting yourself and your family nothing but the best will do.

At Irish Life, we've been taking care of families in Ireland for generations. And as part of the Great-West Lifeco group of companies, one of the world's leading life assurance organisations, we now have access to global experience and expertise. With the launch of the **LifeCare** range of services, we can now give you access to new ways to help protect you and your family.

LifeCare gives you and your family valuable access at no extra cost to expert assistance and services, many of which are available 24/7, 365 days a year. For example, **LifeCare** could help if:

-  **MedCare** ● you, or someone in your family, were diagnosed with a condition covered, you could benefit from getting access to a review of your diagnosis and treatment plan from a world leading medical centre - over 160 medical conditions are covered;
-  **NurseCare** ● you're a parent who needs the reassurance of talking to an experienced nurse in the middle of the night about one of your children being unwell; or
● you, or one of your children, might need to talk to an experienced nurse on women-specific health issues; or
-  **ClaimsCare** ● you would like to avail of the counselling services on offer to help with bereavement after you have made a claim.

NurseCare and MedCare services are available to you even if you never claim on your Irish Life Protection plan.

LifeCare services are only available when you start a new Protection plan with Irish Life from 3 February 2014 for the following products: Term Life Insurance, Mortgage Life Insurance, Life Long Insurance, Pension Life Insurance and Income Insurance plans.

ClaimsCare

Highest quality service

We pay thousands of claims every year – in fact in 2013 alone we paid over 2,000 claims, worth over €160 million. From experience we know that making a specified illness or life cover claim can seem daunting at an already difficult time.

So when you make a claim, we promise that we'll;

- provide a personal claims expert to look after your claim;
- deliver a quick and efficient process;
- keep you informed regularly;
- make your claim as easy and straightforward as possible.

Every month we independently research how satisfied our customers are with the service they received. Over the last year they scored our serious illness claims service 90% for customer satisfaction. (Source: The Leadership Factor, December 2012 - August 2013).
