## Introduction

### About us

We are Ireland's largest provider of life insurance and as an Irish company we are 100% focused on meeting the needs of our customers.

Founded in 1939, we've been protecting generations of families in Ireland for over 70 years. We are proud to say that in the last five years alone, we have paid out over €1 billion in protection claims to over 30,000 families.

This booklet will give you details of the Income Insurance plan. It is only a guide that allows us to explain the product to you in simple terms. There will be more specific rules in your terms and conditions booklet, which you should read carefully.

## Our service to you

### Putting you first

At Irish Life we are committed to providing excellent customer service to you at all times from the moment you apply for cover right throughout the life of your plan.

When you ring us, you will get straight through to our award-winning service team, based in Ireland, who will be on hand to listen to your queries and help you when you are looking for answers. Below is just a sample of the services we offer to make the process a little easier for you.

### Taking out cover has never been easier

We want to make the process of applying for cover as simple and hassle-free as possible for you.

- We have an electronic application form that your financial adviser can fill in with you. Once you apply for cover using this, your adviser should know, within 24 hours, if we have accepted your application at normal rates (this means you have no existing medical conditions) and if not, what the next step is for you.
- You can track where your application is at any time by contacting your adviser, or calling us on 01 704 10 10.

### You can change your mind

We want to make sure that you are happy with your decision to take out Income Insurance. If after taking out this plan you feel it is not suitable, you have 30 days to cancel the plan. If you decide to do this, we guarantee to refund any payments you have made within the first 30 days of sending you details of your plan. The 30-day period starts from the day we send you your welcome pack.

### Keeping it simple – clear communication

Because financial products can be complicated and difficult to understand, we are committed to using clear and straightforward language on all our communications to you. As a result, we work with Plain English Campaign to make sure all our customer communications meet the highest standards of clarity, openness and honesty.

### Keeping you up to date

We are committed to keeping you informed about your plan. Because of this, every year we will send you a statement to tell you what your protection benefits are.

## Online services

We have a range of online services available for you.

You can check the details of your cover online by visiting our website [www.irishlife.ie](http://www.irishlife.ie) and logging into My Online Services. You will need a PIN, which you would have received when you started your plan. If you have lost your PIN or need a new one, contact our customer service team on 01 704 10 10.

If you visit our website, you can also get a quick life cover quote and get the information you need on our range of life insurance products. Visit [www.irishlife.ie](http://www.irishlife.ie) for more details.

## European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004

If a financial service or product is provided on a 'distance basis' (in other words, with no face-to-face contact), we have to give you certain information. We have included this information under various headings in this booklet, in the customer information notice at the back of this booklet, in the Terms and Conditions Booklet and in your terms of business letter. All information (including the terms and conditions of your plan) will be in English.

## How to contact us

If you want to talk to us, just phone our award-winning, Irish-based customer service team on 01 704 10 10. They can answer questions about your plan.

### Our lines are open:

8am to 8pm Monday to Thursday

10am to 6pm Friday

9am to 1pm Saturday.

In the interest of customer service, we will record and monitor calls.

You can also contact us in the following ways:

## Income Insurance

### Income Protection

Income protection is a type of insurance that pays you a regular income if you can no longer work due to an injury or illness. Its aim is to replace some of your earned income once any state benefits are taken into account, so you could still maintain the level of lifestyle you are used to.

If you are in full-time employment or you are self-employed and earn an income, you can take advantage of an income-protection plan.

### What is Income Insurance?

Income Insurance is the product name for our income-protection plan. It provides a replacement income, also called incapacity benefit, if you cannot work as a result of an illness or injury.

After a certain period, known as the deferred period, you receive the incapacity benefit to replace some of your income while you are off work.

### How Income Insurance works

We have designed Income Insurance to be as flexible as possible, and its aim is to suit your income-protection needs. Below are some points to help you decide if this cover is right for you.

- You decide how much cover you need based on your current earnings, the deferred period you want (either 13, 26 or 52 weeks), how long you need the benefit to be paid for, and how long you want the cover for.
- You make regular payments to keep the cover in force.

- We provide cover until your plan ends, no matter how many claims you make.
- You must tell us when an illness or an injury stops you working.
- We pay you a monthly income from the end of your chosen deferred period for as long as you are eligible (see below regards deferred periods).
- If you are in hospital for more than seven days in a row during the deferred period, you may be able to receive hospitalisation benefit (see page 16 for details on hospital benefit).

## Deferred period

When you take out this plan, you choose a deferred period of 13, 26 or 52 weeks. This is the continuous amount of time you need to be off work before we will pay the incapacity benefit.

Please see the table below outlining when you should send in your claim form, depending on your deferred period.

Deferred period	Send in your claim form NO LATER THAN	AFTER you become unable to work as a result of illness or injury
13 weeks	8 weeks	
26 weeks	16 weeks	
52 weeks	30 weeks	

You must be totally unable to carry out the main duties of your normal job for this cover and you must not be doing any other work. An injury or illness must be the reason why you cannot work. Our Chief Medical

Officer must be satisfied with the evidence you provide. The main duties of your job are those you normally need to carry out and which cannot reasonably be left out or altered.

## How much cover do I need?

Your financial adviser will help you decide how much cover you need. That cover should reflect your income. The benefit you receive must be set at a level which makes you no better off financially. This is so that you have an incentive to return to work.

In general, the most cover you can have at any one time (including that provided under other income-protection plans and continuing income from your job or pension) is:

- €250,000 a year; or
- 75% of your total yearly earnings; less
- any state benefits for disability (except benefits for children) and other forms of income you may have. Please see page 17 for more details about this.

You should re-evaluate your cover regularly to make sure it continues to meet your needs. Your financial adviser can help you with this.

**The overall maximum amount of cover we will provide is €250,000 a year.**

## Increasing your cover amount

You can increase your cover with our 20% top up option.

On each third anniversary of your plan, you can top up your Income Insurance benefit by 20% without having to give us any extra evidence of your health, job, residence or pastimes. You can choose to top up your cover five times, but the top up limit of 20% is always based on your original amount of cover. If you do not choose to increase your cover on two occasions when we offer the chance to top up, we will not offer you the top-up again.

You cannot top up:

- within five years of the end date of your plan;
- after the 15th anniversary of your plan;
- during a period of disability which lasts a week or more;
- within six months of a period of disability; or
- while you are receiving any benefit under your Income Insurance plan.

Any increases to your Income Insurance, as a result of top-ups or indexation, must stay within the maximum limits allowed. (Please see page 17 for details). Also, if we apply a rating or exclusion to your original plan, this same rating or exclusion will apply to any increase in benefit under this option.

## Example of 20% top up option

Original amount of Income Insurance:	€50,000
First top up (available on the third anniversary)	€10,000 = 20% of €50,000
New Income Insurance benefit amount	€60,000
Next top-up (available on the sixth anniversary)	€10,000 = 20% of €50,000 which was the original amount of cover
New Income Insurance benefit amount	€70,000
Next top-up (available on the ninth anniversary)	€10,000 = 20% of €50,000 which was the original amount of cover
New Income Insurance benefit amount	€80,000

## Indexation

As well as the top-up option above, one year after you start your Income Insurance plan, we will offer you the chance to have your cover automatically increased. This is called 'indexation'. If you choose this option, your cover will automatically increase each year by 5% or in line with the consumer price index, whichever is higher, without you needing to provide medical evidence. The payments you make will increase by more than this to reflect the cost of the increased cover, based on your age at the time of the increase. If you do not take these options when

we offer them, you will need to provide evidence of your health for any future increase.

## Escalation

With escalation if we pay a claim for incapacity benefit, we will increase the incapacity benefit amount paid on the first and every anniversary of the date we start paying. The amount of the increase will be:

- the yearly rate of increase in the consumer price index for the last year;

or

- 5%;

whichever is lower.

# Suitability snapshot

## Income Insurance might suit you if you:

- ✓ are 18 to 54 years of age and in full-time employment or are self-employed;
- ✓ want to protect some of your income until you are age 65 if you cannot work because of an illness or injury (please see page 19 for more details on the limits);
- ✓ want a product that pays you a regular income if you cannot work because of an illness or injury, after a certain amount of time (deferred period);
- ✓ want the option to top up your cover at a later date;
- ✓ want your cover to continue, no matter how many claims you make;
- ✓ want to take advantage of potential income tax relief.

## Income Insurance might not suit you if you:

- ✗ are unemployed
- ✗ want protection against being made unemployed;
- ✗ want cover that continues after you are age 65;
- ✗ want a lump-sum payment for certain illnesses;
- ✗ need a life cover plan, with added family benefits;
- ✗ need a product with a cash-in value; and
- ✗ need more cover than is available with Income Insurance.

In any of these situations , please speak to your financial adviser about our excellent range of plans on offer.

## Important points about Income Insurance

- If you stop making your regular payments, you will no longer be protected, and we will not refund any money.
- **You cannot cash in your plan – it is not a savings plan.**
- It is very important that you re-evaluate your plan benefits against your current earnings, as they may not continue to meet your needs.
- At the time of a claim, your earnings must be above the level that justifies the amount of cover you have chosen. If not, you will receive a reduced benefit. In this case, we will not refund any part of the payments you have made. Please see page 19 for more details.
- You can claim income tax relief on your payments to this plan. Please see page 13 for more details.

We will not pay claims in certain circumstances, for example if you have not given us full information about your health. We have listed a summary of the circumstances in which we will not pay claims on page 19 of this booklet.

## Income Insurance – the cost

### Guaranteed payments

We guarantee the regular payments you make will stay the same for the term of your plan (unless you change the level of cover).

If you change the level of your cover, your payment will increase just to reflect the change in the level of cover. The rates we charge will stay the same for the term of your plan.

This means you will always know how much you will pay for your current level of cover.

### Income Insurance – the cost

The cost of cover depends on:

- your age (as you get older the chance of you being ill increases);
- your occupation (some occupations carry a higher risk of accidents and illness than others and it is easier to return to work after an illness or accident in some occupations – see across for a detailed explanation);
- whether you smoke;
- your deferred period and the age at which your cover ends; and
- your health.

The payments you make cover:

- the cost of setting up the plan, including sales and commission costs;
- the cost of providing your incapacity benefit; and
- ongoing costs.

You must make your payments by direct debit every month, every three months, twice a year, or once a year.

We will collect any levies or taxes imposed by the government. The current government levy on life assurance payments is 1% (January 2013).

## Cost of cover and your occupation

Your job will influence the cost of your cover and the options available. This is because some jobs are more dangerous than others. For example, a bank clerk will pay less for cover than a carpenter because of the increased risk of accident involved in the carpenter's job.

We will also take account of how fit you have to be to do particular work. For example, you will need to be fitter to do manual work than you would to do a desk job. As a result, some options will not be available to certain occupations. For example, in some occupations, cover cannot continue after you are 55 or 60 and the deferred period must be 26 or 52 weeks.

Your financial adviser will tell you what your options are based on your current job.

We may refuse to provide cover for certain occupations.

## Can I get tax relief on my payments?

Under current tax law (July 2013), payments to this Income Insurance plan are eligible for full income tax relief at your marginal rate of income tax. The max amount of payments you can claim tax relief on is limited to 10% of your total income for the tax year of tax assessment.

Your total income is any earned income, as adjusted for tax purposes. We will give you a permanent health insurance certificate, which you will normally need to get your tax relief. You will need to check if you are eligible for this tax relief.

## Can the regular payments change?

No, your regular payments are guaranteed to stay the same for the term of your plan. However, if you top up your Income Insurance or choose indexation, your regular payments will increase only to reflect the cost of your increased cover.

This will only happen if you choose a top up or indexation on your plan.

## Added extra: Health lines - NurseAssist 24/7

This confidential service allows you to phone a team of trained nurses who can help you with a full range of questions or concerns you might have about your family's health.

This can range from:

- information on medicines and drugs;
- information on social services, self-help groups and other services;
- screening for minor illnesses;
- counselling services for bereavement, trauma and illness; and
- information on the legal and financial effects of bereavement.

You can call NurseAssist 24 hours a day, and seven days a week on 1850 22 88 33. You will need to give them your member number, which is the same as your Income Insurance plan number. This will be on your welcome pack. NurseAssist 24/7 is a confidential advice service. It is not designed to replace your doctor. The team of nurses will not have access to your plan details or application form.

If you have any questions about your Income Insurance plan, you should call our Customer Service Team on 01 704 1010.

In the interest of customer service, we will record and monitor calls.

## - Women's Health Centre

The Women's Health Centre is a confidential help-line so that you can speak directly to a team of experienced and professionally trained midwives and nurses about any number of female health queries like:

- Menstruation and fertility
- Pregnancy
- Cancer prevention
- STI's
- Osteoporosis and menopause

Call the Women's Health Centre on 1850 22 88 33. You will need to give them your member number (which is the same as your Income Insurance plan number). This will be on your welcome pack. The nurses will not have access to your plan details or application form.

The Women's Health Centre is an advisory service. It is not designed to replace your doctor.

## A guide to making a claim

At Irish Life we are committed to taking care of claims as quickly as possible in a professional, polite, sensitive and sympathetic way. With over 70 years' experience in paying claims, you can rely on us to give you the best service possible. In the last five years alone we have paid over €1 billion in protection claims to thousands of families!

If you have to claim incapacity benefit due to illness or injury which prevents you from working for more than your chosen deferred period, and which results in you losing earnings - take a look below at the best way to go about it.

### To claim incapacity benefit, you must do the following:

You need to fill in a claim form (your financial adviser will get the claim form for you or you can get one from our Customer Service Team).

- You must get your doctor to fill in a medical certificate, which we will provide (you will have to pay any fees your doctor charges for this).
- You must give us evidence of your earnings immediately before your illness or injury. If you are employed, this evidence must be a P60 and a statement from your employer. If you are self-employed, this evidence must be copies of your accounts, tax computations and income-tax assessments for the three accounting years immediately before the start of the deferred period.

- You must provide evidence of other insurance, pensions and state benefits.
- You will also need to have a medical examination or other specialist assessment, which we will pay for. Someone acting for us may also visit or phone you, for example, a nurse or health claims specialist. When we receive your claim, we and our Chief Medical Officer will consider your illness or injury and the main duties of your normal job. We will then assess your ability to carry out your normal job based on all the information we have available. We will decide whether to accept your claim based on all the medical and financial information we have, as long as you meet the definition of disability as shown in the policy terms and conditions.

## Your incapacity benefit payments

### When will my payments start?

This depends on what deferred period you have chosen. (The deferred period is the continuous amount of time you have to be off work due to an illness or injury before we begin to pay the incapacity benefit.) Your deferred period can be either 13, 26 or 52 weeks, depending on your job. We will not pay any benefit until the end of this period, so the longer the deferred period, the cheaper the cover.

We will make the first payment of your incapacity benefit one month after the end of the deferred period. We will backdate this payment to the end of the deferred period. Thereafter your incapacity benefit will be paid to you every month for the month just gone.

If you are in hospital for more than seven days in a row during the deferred period, we will pay you 'hospitalisation benefit' for each day you spend in hospital. We will do this from the eighth day up to the end of:

- your deferred period; or
- your 91st day in hospital;

whichever is earlier.

Each day's hospitalisation benefit is equal to your yearly incapacity benefit divided by 365. We will not pay any hospitalisation benefit in the circumstances set out on page 19.

## When will my payments end?

We will pay incapacity benefit until:

- you return to work;
- you reach the age at which your cover ends;
- you die;
- we decide that you are fit enough to do your normal work; or
- you take up your own or another job and fail to tell us;

whichever happens first.

While you are receiving incapacity benefit from us, you do not need to make payments and the cover will stay in force. Your regular payments will have to start again when we stop paying incapacity benefit.

## Limitations to your incapacity benefit claim

You will receive the amount of incapacity benefit you are insured for, within the following benefit limits. The maximum benefit you can receive is:

- €250,000 a year; or
- 75% of your yearly earnings; less
  - » any continuing income from work or any other source (not including investment income);
  - » any pension payments;
  - » any state disability or other benefits (except benefits for children); and
  - » any regular payments from any other income-protection plan or similar insurance; whichever is less.

From time to time during any claim, we will check to make sure your benefit stays within these limits. The limits aim to make sure you have a

financial incentive to return to work. We will not refund any payments if, as a result of these limits, we pay less than the amount of incapacity benefit you have asked for.

While you are receiving incapacity benefit, you must tell us if you plan to return to work part-time or to take up any other paid work. If you do not tell us, all benefit payments and cover under the plan will end.

## What earnings do you take into account?

If you are employed, we take account of your yearly salary before deductions for PAYE assessment purposes, including overtime and regular bonuses, for the 12 months up to the date your deferred period starts.

If you are self-employed, we take account of your average 'net annual profit' (your actual profit less any allowable expenses), based on your business accounts for the three years ending on the most recent accounting date before the start of the deferred period. The profit we use for this calculation is the profit before any adjustments, which need to be made for tax purposes.

If you become unemployed, all your cover will end immediately. If you become unemployed during the deferred period, all your cover will end immediately and we will not pay a claim. You must tell us immediately if you become unemployed.

## Taxation and claim benefits

Your incapacity benefit will be treated as normal income and so is assessed for income tax, PRSI and the Universal Social Charge. We will pay the benefit direct to you. We will take any income tax, PRSI and Universal Social Charge in the same way as an employer would take them from a normal income. Hospitalisation benefit is also assessed for tax.

Remember that you can claim income tax relief on any payments into this plan. Please see page 13 for more details.

## The Direct Debit Guarantee

- This is a guarantee provided by your own Bank as a member of the Direct Debit Scheme, in which Banks and Originators of Direct Debits participate.
- If you authorise payment by Direct Debit, then
  - » Your Direct Debit Originator will notify you in advance of the amounts to be debited to your account
  - » Your Bank will accept and pay such debits, provided that your account has sufficient available funds
- If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed an immediate refund by your Bank of the amount so charged where you notify your Bank without undue delay on becoming aware of the unauthorised Direct Debit, and in any event no later than 13 months after the date of debiting of such Direct Debit to your account.
- You are entitled to request a refund of any Variable Direct Debit the amount of which exceeded what you could have reasonably expected, subject to requesting your Bank within a period of 8 weeks from the date of debiting of such Direct Debit to your account.
- You can instruct your Bank to refuse a Direct Debit payment by writing in good time to your Bank.
- You can cancel the Direct Debit Instruction in good time by writing to your Bank.

## Situations where you would not pay my claim benefit

### We would not pay incapacity benefit in the situations listed below:

- If you have given incorrect information at any time, or if you did not tell us something that would have affected our assessment of your application when you first took out the plan. You must also give us all relevant information about your health and occupation on your application form. If you do not give us all the relevant information and you make a claim, we may not pay your benefit. When you take out the plan we will send you a photocopy of your application form or a summary of the medical and other information contained in it. You should check this carefully to make sure that you have answered all the questions accurately.
- If the injury or condition resulting in the claim was self-inflicted, caused by you taking alcohol or drugs, or caused as a result of you failing to follow reasonable medical advice.
- If the injury or condition resulting in the claim was caused by you taking part in any of the following activities:
  - » Abseiling, bobsleighing, boxing, caving, flying (except as a fare-paying passenger on public airlines), hang-gliding, horse racing, motor car and motorcycle racing or sports, mountaineering, parachuting, potholing, powerboat racing, rock climbing or scuba-diving.
- If, at the time of a claim, you are living outside Ireland or the United Kingdom. If this is the case, we will only pay incapacity benefit for up to 13 weeks in any 12-month period, and for 39 weeks in total over the lifetime of the plan.

- We will not pay hospitalisation benefit if you are in hospital for mental illness, a psychiatric disorder, alcoholism or any cosmetic surgery or surgery that is not essential.

We will not pay this benefit if you lose your job or become unemployed. If you are receiving a claim and you become unemployed, the claim will end.

## Returning to work

While you are receiving incapacity benefit under the plan you must tell us if you plan to return to work part-time or to take up any other paid work. If you do not tell us, all benefit payments and cover under the plan will end.

## Returning to work part-time or to a position with lower pay

If, after a period when you were being paid incapacity benefit, you return to work part-time or to a lower-paid job, we will still pay part of the benefit if we are satisfied that you are still not able to do your normal job. It is important that you discuss any work opportunities with us before you return to work. In these circumstances, we will reduce the incapacity benefit we pay by the amount of your new earnings.

## Making another claim once you are back at work

The terms of your plan are not affected by the number of claims you make. If you have received incapacity benefit and within six months of returning to work you claim again as a result of the same injury or illness, the deferred period will not apply.

However, you must have started to make your regular payments again when you returned to work.

## A. INFORMATION ABOUT THE POLICY

### 1. MAKE SURE THE POLICY MEETS YOUR NEEDS!

The **Income Insurance** plan is a regular payment protection plan which provides income protection insurance cover. The plan provides a regular income incapacity benefit if you become unable to work due to illness or injury.

Before the first anniversary of your plan and again before the second anniversary of your plan, we will offer you the opportunity to increase the amount of your incapacity benefit. This option is called indexation. Where you accept the indexation option, the level of benefits will automatically increase each year. The payment you make will also increase each year. Your cover will automatically increase each year by 5% or in line with the consumer price index, whichever is higher. The payments you make may increase by more than this to reflect the increase in your age and the cost of increased cover. If you do not take the indexation option when offered, you will need to provide evidence of health for any future increase.

You are entering into a commitment to pay a regular payment over a relatively long term.

Unless you are fully satisfied as to the nature of this commitment having regard to your needs, resources and circumstances, you should not enter into this commitment.

Your financial adviser must indicate whether paragraph a) or paragraph b) below applies.

- a) This plan replaces in whole or in part an existing plan with Irish Life, or with another insurer, which has been or is to be cancelled or reduced. Your financial adviser will advise you as to the financial consequences of such replacement and of possible financial loss as a result. You will be asked at the beginning of your application form to confirm this in writing.

Please ensure that you have completed this section of the form and that you are satisfied with the explanations provided by your financial adviser before you complete the rest of the application form.

- b) This plan does not replace in whole or in part an existing plan with Irish Life or with any other insurer which has been or is to be cancelled or reduced.

## 2. WHAT HAPPENS IF YOU WANT TO CASH IN THE POLICY EARLY OR STOP PAYING PREMIUMS?

The plan does not acquire a cash or surrender value at any stage.

If you stop making your payments all cover under the plan will end and we will not refund any of your payments.

## 3. WHAT ARE THE PROJECTED BENEFITS UNDER THE POLICY?

The following payment and benefit details are for a typical Income Insurance plan. The figures will obviously vary based on each individual's personal details and choice of protection benefits. The payment quoted below is correct as at July 2013. Figures for your specific plan details will be shown in your customer information notice in your welcome pack. The figures below are based on the following details.

Protection Benefits: Incapacity benefit cover of €2,000 per month with escalation in claim of 5% each year and a deferred period of 13 weeks.

Lives Covered: Male, aged 37 next birthday, occupational class 1, non-smoker.

Payments: €66.54 per month payable by direct debit. The payment is guaranteed (see section A5) and indexation is included.

Term: The term of the plan is up to age 60.

All figures exclude the 1% government levy. The plan provides protection benefits up until the expiry date of the plan, which is stated on the plan schedule. The plan does not acquire a cash or surrender value at any stage.

service and support for the plan. These costs are included in the plan charges set out in Column C of the Illustrative Table of Projected Benefits and Charges in Section 3.

#### 5. ARE RETURNS GUARANTEED AND CAN THE PREMIUM BE REVIEWED?

The payment on this plan is guaranteed. Your regular payments will not change during the term of your plan as long as your chosen benefits remain the same.

If you choose to increase your incapacity benefit in the future through the indexation option offered, your payment will increase solely to reflect the cost of the increased amount of cover.

If you choose to increase your incapacity benefit in the future through the top-up option offered, your payment will increase in line with the payment you would be charged if you were taking out a new plan for the increased amount.

## 6. CAN THE POLICY BE CANCELLED OR AMENDED BY THE INSURER?

We may cancel your plan if you stop making payments.

You must provide any information or evidence which we need to administer the plan.

If we receive evidence that your date of birth as shown on your application form for this plan is incorrect, we will adjust the benefits appropriately.

We may end your cover and refuse to pay a claim if you did not give us information (or if you give us incorrect information) regarding an illness or condition that would have affected our assessment of your application at the time you completed the application for this plan. The same would apply to the information you give us regarding your occupation. Our decision to accept you for cover is based on this information. If that information is not true and complete or if we have not received all relevant information, we may end your cover and refuse to pay any claim.

If this happens you will lose all rights under the plan and we will not refund your payments. Relevant information includes anything that a reputable insurer might regard as likely to influence the assessment and acceptance of your application. We will provide a photocopy of your application form or any other forms that you have filled in for us if you ask.

We will pay no benefit if you are unemployed at the time you apply for incapacity benefit. You should therefore cancel your plan if you become unemployed.

We may end your cover and refuse to pay a claim if you don't give us information (or if you give us incorrect information) that would affect our assessment of your application for incapacity benefit at the time you complete a claim application.

If you are receiving incapacity benefit and go back to work or take up alternative employment without telling us, we may end your cover and refuse to pay further benefits.

The plan will end on your death.

## 7. INFORMATION ON TAXATION ISSUES

Any taxes or levies imposed by the government will be collected by Irish Life and passed directly to the Revenue Commissioners.

This plan is a permanent health insurance plan which is approved by the Revenue Commissioners. Under current law, you can claim tax relief on payments made into an approved permanent health insurance plan – up to a maximum of 10% of your total income for the year of tax assessment. Your 'total income' is income from all sources, as adjusted for tax purposes.

If you are married or have a registered civil partner and are assessed jointly with your partner, the upper limit allowed is 10% of your joint total incomes. Your employer may be willing to deduct the cost of this benefit from your salary. If this happens, you will obtain income tax

relief immediately. If payments are not made by salary deduction, you can obtain income tax relief by contacting your tax office. Irish Life will provide you with a permanent health insurance certificate which is normally required to obtain your tax relief.

In the event of a claim your benefit will be treated as normal employment income and as such is liable for tax. When we make a benefit payment, we will deduct an amount for income tax, PRSI and the Universal Social Charge which are payable under the PAYE system. If we do not have your certificate of tax credits, this can result in tax being deducted at the higher rate of tax.

If payments are made by anyone other than the legal owner of the plan, for example from a company or business account, there may be other tax implications.

Please contact your Financial Adviser or Irish Life if you do not fully understand the likely tax treatment of any benefits payable in connection with your Income Insurance plan. However, we recommend that you seek independent tax advice in respect of your own specific circumstances.

## 8. ADDITIONAL INFORMATION IN RELATION TO YOUR POLICY

### What are the benefits and options provided under this plan?

Your **Income Insurance** plan provides valuable protection benefits. Full details of the benefits you have chosen are set out in your plan schedule and Terms and Conditions booklet - you should study these documents carefully.

### Incapacity benefit

We will pay the incapacity benefit shown on your plan schedule plus any increases due to indexation if you are unable to work due to illness or injury. Your Terms and Conditions booklet gives details of the maximum amount of incapacity benefit we will pay if you make a claim. If you have chosen escalation in claim, the benefit you receive will increase annually by the lower of 5% or the increase in CPI, from the date of receipt of the first benefit payment. To qualify for the benefit our Medical Officer will decide whether your claim satisfies the necessary requirements described in the Terms and Conditions booklet. The benefit will become payable on a monthly basis once the deferred period of 13, 26 or 52 weeks has expired. We will continue to pay the incapacity benefit while your illness or injury prevents you from doing your usual job, and while you are not following another occupation.

We will stop paying the incapacity benefit at the earliest of:

- the expiry age, as shown on your plan schedule
- death
- your return to work
- when we decide you are no longer prevented from working due to illness or injury 36
- if you go back to work or take up another occupation and fail to tell us

### Hospitalisation benefit

We will pay you a benefit if you become hospitalised for more than seven days for anything other than mental illness during the deferred period of 13, 26 or 52 weeks. This benefit is equal to 1/365th of the yearly

incapacity benefit for each day spent in hospital from day eight up to the earliest of:

- last day in hospital
- 91st day in hospital
- end of deferred period
- death
- plan expiry date

### Can I increase my incapacity benefit in the future?

There is a top-up option available on your plan. On the third anniversary of the start date of your plan and every three years thereafter you will have the option to increase (top-up) your incapacity benefit by 20% of your original benefit amount without providing any additional medical or occupational evidence.

This option will end on any of the following events:

- on the fifteenth anniversary of the start date of your plan
- if this option is not exercised on two occasions when it is offered. If this happens it will not be offered again
- if your plan is within five years of the plan expiry date as set out on your schedule

You should be aware of the following conditions which apply under this option:

- you cannot increase your incapacity benefit on each increase date by more than 20% of the incapacity benefit at the start date of your plan

- if you have reduced your incapacity benefit since the start date of your plan, the increase in incapacity benefit under this option will apply to the lower of the current benefit amount at the date the increase is to take place or the incapacity benefit at the commencement date of the plan
- the total incapacity benefit after any benefit increases must not be greater than the maximum benefit allowable under this contract. If you own more than one Income Insurance plan, this maximum applies to the sum of all benefits plus any increases over all plans held
- the extra payment charged for any increase in benefit will be the same as the payment you would make if you were taking out a new plan for the increased amount. The extra payment payable will become guaranteed and will not change in the future.
- this option cannot be applied to any previous benefit increases
- if a rating or exclusion is applied to your original plan then this same rating or exclusion will apply to any increase in benefit under this option
- If this option is chosen, we will not increase your incapacity benefit during a period of incapacity that lasts a week or more, within six months of a period of incapacity or while you are receiving any benefit under this plan

### Can I own more than one Income Insurance plan?

You can own more than one Income Insurance plan however there is a limit on the amount of benefit you can receive from all Income Insurance plans held. See your Terms and Conditions booklet for details on this.

Note: You cannot take out another Income Insurance plan during a period of incapacity that lasts a week or more, within six months of a period of incapacity or while you are receiving any benefit under your current Income Insurance plan.

#### What is the term of the contract?

The plan provides protection benefits until the expiry date as shown on your plan schedule.

#### Are there any circumstances under which the plan may be ended?

We may cancel your plan if you stop making payments. There are other circumstances outlined in Section 6.

#### Is there an opportunity to change your mind?

You have an opportunity to cancel this plan if you are not satisfied that the benefits meet your needs. You may do this by writing to the Ulster Bank team at Irish Life within 30 days of the date we send you details of your plan. On cancellation all benefits will end and Irish Life will refund your payment.

#### Law applicable to your plan

Irish Law governs the plan and the Irish Courts are the only courts that are entitled to settle disputes.

#### What to do if you are not happy or have any questions?

If for any reason you feel that this plan is not right for you, or if you have any questions, you should contact the Irish Life Customer Services Team, Lower Abbey Street, Dublin 1 who will deal with your enquiry.
