Simple Life Insurance

What is Simple Life Insurance?

Simple Life Insurance is a new type of life cover plan – the first of its kind available in Ireland.

It can give you instant life cover when you apply. And, just as its name suggests, it's simple, straightforward and uncomplicated.

- With Simple Life Insurance we've stripped out all the extra features of traditional life cover plans to bring you a quick, easy and convenient way of buying life cover.
- Applying is really quick and easy with straightforward and instant underwriting.

Check out page 6 to see just how easy it is to apply!

How much does it cost?

Simple Life Insurance starts from only €10 a month. The amount you pay will depend on a few things such as:

- your answers to the health questions;
- your age;
- whether you smoke;
- how much protection you want; and
- how long you want your cover to last.

As part of this plan we will collect any levies or taxes imposed by the government. The current government levy on life assurance is 1% (July 2013).

How to apply for Simple Life Insurance

Applying for your Simple Life Insurance plan is easy. All you have to do is follow these simple steps.

- 1** Answer questions about your health. These questions are really important and help us give you an accurate quote, so make sure you read them carefully (see page 7 for more information on how the health questions work).
- 2** Give us basic details such as your name and date of birth.
- 3** Choose the amount of life cover you want and how long you want to take it out for.
- 4** Make your payment by direct debit.

When you have completed these steps - that's it, you're covered! You see, it really is that simple!

Business replacement

As part of your application, we ask you if this Simple Life Insurance plan was replacing an existing life cover plan which you may already have.

If you answer yes to this, a member of our customer service team will contact you to make sure you are happy to replace your existing plan with Simple Life Insurance. Because of this your life cover will not start until you have been contacted by us to confirm this.

Your plan restrictions

Simple Life Insurance is a no-frills life cover plan.

- It offers no cash-in value at any time.
- There are no added benefits and you cannot change your cover once the plan has started.
- Only one person will be covered for each plan that's taken out.
- If you do not make your monthly payments, your cover will end and there is no value to your plan.

Simple Life Insurance offers no cash in value at any stage.

Simple Life Insurance - the health questions

Simple Life Insurance - the health questions

With Simple Life Insurance we do not ask you to go for a medical examination and we don't need any medical details from your GP before you start your life cover.

When you apply, we just ask you a number of questions about your personal health, your tobacco consumption and your family's medical history. You should answer 'yes' or 'no' to all of these questions. The answers you give us will help us decide if we can offer Simple Life Insurance to you and at what price.

We will give you a copy of the health questions we ask you and the answers you give, in your plan documents.

Important – Answering the health questions honestly

You need to answer the questions you are asked honestly and correctly. If you don't we may not pay any future claim on this plan. If this were to happen, your family could struggle to cope financially, in the unfortunate event that they did have to make a claim.

See overleaf for a guide to how the health questions work.

A simple guide to the health questions

How the health questions work

We start by asking you three health questions.

Depending on how you answered these health questions you have 3 options:

- 1 You can proceed with your online application and start your cover straight away.
- 2 You can answer a further 4 health questions and proceed with your online application. However, your monthly payment will be higher because of your answers to the health questions.
- 3 We will offer you a Financial Review with one of our financial advisers as we need to gather more information from you.

Important information about your answers to the health questions

- As part of your application for Simple Life Insurance we ask for your GP details. After your Simple Life Insurance plan is issued, we may write to your GP to confirm that what you have answered on your application is correct.
- If the information your GP gives us does not match the answers you gave us, to the questions asked, we will cancel your plan, amend the cover or increase your monthly payment. In these circumstances any payments you have made will not be refunded.
- If we can't get your GP details or a medical report from your GP, we may ask you to attend a medical examination with a doctor or nurse. If you refuse to attend this exam within a timely manner, we will cancel your plan or may amend the cover or increase your monthly payment. In these circumstances any payments you have made will not be refunded.

A guide to making a claim

Making a claim

At Irish Life we are committed to taking care of claims in a sensitive, professional and sympathetic way. In the last five years we've paid over €1 billion in protection claims to thousands of families right across Ireland.

If your family have to make a claim, your personal representatives should contact our customer service team on 01 704 10 10. We will send them a claim form and give them a copy of 'Your Guide to making a claim'. This explains very clearly what's involved in the claims process.

Situations where we will not pay a claim

When you apply for your cover, your plan schedule will give you a summary of the questions you were asked and the answers you gave us on your application form. You should check this to make sure that you have answered all the health questions, including details on smoking, accurately.

We may refuse to pay a claim if you have given incorrect information on your application. You must answer all questions on your application honestly. If you do not and you make a claim, we may not pay the benefit.

We will not pay life cover benefit if:

- you answered the questions on your application form incorrectly or dishonestly;
- you told us you did not smoke when you did in fact smoke; or
- your death is caused by suicide, or being executed in a foreign country, within a year of the plan starting.

If you fail to provide us with the additional information we need in a timely manner, we may also declare your plan void.

If your plan is made void, you will lose all rights under the plan and we will not refund your payments. Relevant information includes anything that a reputable insurer might regard as likely to influence the assessment and acceptance of your application. We will provide a copy of the information you gave us in your application or any other forms that you have filled in for us if you ask.

7. INFORMATION ON TAXATION ISSUES

Under current law (July 2013), tax does not usually have to be paid on life cover benefits, but in some circumstances tax may be due. For example, if the life cover is paid to your estate, your beneficiaries may have to pay inheritance tax (there is no inheritance tax due on an inheritance between a married couple or registered civil partners).

Any taxes or levies imposed by the government will be collected by Irish Life and passed directly to the Revenue Commissioners.

Where the plan is owned by a company or where payments are made by anyone other than the legal owner of the plan, for example from a company or business account, there may be tax implications. In these circumstances we recommend that a financial adviser be consulted regarding any possible taxation implications.

Please contact your Financial Adviser or Irish Life if you do not fully understand the likely tax treatment of any benefits payable in connection with your Simple Life Insurance plan. However, we recommend that you seek independent tax advice in respect of your own specific circumstances.

Introduction

This plan is designed to pay benefits if the life assured dies during the term of the plan.

This plan is provided by us (Irish Life Assurance plc) to you (the life covered named in the plan schedule).

The plan consists of the plan schedule, these Terms and Conditions, the application form, any related information and any extra rules which our head office staff may add in writing.

We have issued this plan to you on the understanding that the answers to the health questions we asked you, including tobacco consumption, are true and complete and that we have been given all relevant information. If this is not the case we will be entitled to declare the plan void. If this happens, you will lose all your rights under the plan, any claim will not be paid and we will not return any payments. If we do decide to refund any payments made we may deduct any associated medical evidence, administration or sales costs we have incurred under the plan. Information is 'relevant' if it might influence the judgement of a reputable

insurer when fixing the level of payments or benefits, or when deciding whether to provide cover at all.

This plan is a protection plan only – you cannot cash it in. Even if you have not made a claim by the time the period of cover ends, we will not return your payments. All cover under the plan will end on the 'expiry date' shown in the plan schedule, unless it has ended before that for any of the reasons explained in these terms and conditions.

The benefits provided under this plan are stated in the plan schedule. If a benefit is not mentioned in the plan schedule, we do not provide that benefit.

If you are making a claim under this plan, please contact our head office at:

In legal disputes Irish law will apply.

In the event of extraordinary circumstances beyond our control including, without limitation, act of civil or military authority; sabotage; crime; terrorist attack; war or other government action; civil disturbance or riot; strike or other industrial dispute; an act of god; national emergency;

epidemic; flood, earthquake, fire or other catastrophe, we may be directly or indirectly prevented from fulfilling our obligations under or pursuant to this plan or from doing so in a timely manner. If this happens, we are not liable for any loss, damage or inconvenience caused.

More detailed information on all these matters is in the relevant sections of this Terms and Conditions booklet.

How does the plan work?

You choose the amount of cover you want, and make the payments to us as set out in the schedule. If you die we will pay the appropriate benefit (the benefits are described in greater detail later on in these Terms and Conditions) to your legal representatives.

Who receives the money we pay out?

If you die during the term of the plan, we will pay your legal representatives. If you assign the plan to someone else, we will pay that person. If the plan is written under trust, we will pay the trustee.

- 2.1 We have issued this plan to you on the understanding that the answers given to the health questions, including tobacco consumption, on the application for cover are true and complete. If this is not the case we will be entitled to declare the plan void.

We may end your cover and refuse to pay a claim if you did not truthfully answer the medical questions regarding an illness or condition that would have affected our acceptance of your application. If that information is not true and complete or if you have not answered the medical questions honestly, we may end your cover and refuse to pay any claim. We would also be entitled to adjust your payment or your benefits under the plan in these circumstances.

As part of this plan we reserve the right to ask you for extra information to verify the answers you have given in the application form. We will regularly select policies at random for this purpose. At that stage we may ask you for additional medical information and/or for the contact details of your General Practitioner (GP) or specialist(s) and your consent to obtain information from your GP or specialist(s) attended. We may also insist that you attend for an independent medical assessment by a doctor or a nurse. If you fail to provide us with the additional information we need in a timely manner or fail to attend for an examination if requested, we may also declare your plan void.

If your plan is made void, you will lose all your rights under the plan, any claim will not be paid and we will not return any payments. If we do decide to refund any payments made we may deduct any associated medical evidence, administration or sales costs we have incurred under the plan. Information is 'relevant' if it might influence the judgement of a reputable insurer when fixing the level of payments or benefits, or when deciding whether to provide cover at all.

- 2.2 If your cover ends but is reinstated under section 3.4, we will reinstate it on the understanding that the information given in the evidence of health form and any related document is true and complete and that all relevant information has been provided.

If this is not the case, we will be entitled to declare the plan void. If this happens, you will lose all your rights under the plan, we will not pay any claim and we will not return any payments. If we refund payments, we are entitled to deduct appropriate costs incurred as a result of the setting up or administration of this plan. Information is 'relevant' if it might influence the judgement of a reputable insurer when fixing the level of payments or benefits; when deciding whether to reinstate cover at all; or when deciding whether to attach conditions.

Section 3

Making payments

- 3.1 Although each payment is due on the payment dates shown in the plan schedule, we give you 10 days to make the payment. (The time allowed is known as a 'period of grace'.) If you die during a period of grace, we will take from your benefit any payment that you have not made.
- 3.2 If you have not made a payment by the end of the period of grace, your cover under the plan will end immediately. A payment is not made until we have received it. It is up to you to make sure that we receive your payment. We are entitled to pass on to you any charge which we have to pay because all or part of your payment (for example, a direct debit) is dishonoured.
- 3.3 If your cover under the plan ends as described in section 3.2, you can restore your cover within 90 days from the date the first missed payment became due. You must make all the payments which would have been due if your cover had not ended. You will not be entitled to benefits for anything that happens between the end of the period of grace and the date we receive all missed payments.
- 3.4 If, after 90 days and before 180 days of the first missed payment being due, you ask for cover to be restored, the life assured must fill in an evidence of health form and all the payments which would have been made if cover had not ended must be made.

If the information on the evidence of health form shows that the health of the life assured is now different to that declared on the application form, we may refuse to restore cover or restore the cover:

- without any change;
- with an increased payment; or
- with new conditions.

If we decide to restore cover, we will ask you to start making payments again. No cover will be in place for anything that happens between:

- the end of the period of grace; and
- the date, following our agreement to restore cover, on which we receive all missed payments.

If we accept a payment (or part payment) which is no longer due, this does not mean that we are providing cover. We will return the amount we receive as soon as we discover the mistake.

Section 4

Your cover

- 4.1 The plan schedule shows the amount of life cover under your plan.

Note: The maximum amount of Simple Life Insurance life cover you can take out with us is €150,000. This limit applies to your total amount of cover if you have more than one Simple Life Insurance plan with us. We can cancel any Simple Life Insurance plans you have with us that bring your cover over the €150,000 limit.

- 4.2 If we accept a claim when the life assured dies, we will pay your legal representatives the amount of benefit set out in the plan schedule.

- 4.4 All cover under this plan will end:

- at the end of a period of grace, if all or part of a payment has still not been made;
- on the expiry date, as shown in the plan schedule; or
- when the life assured dies;

whichever is earliest.

Section 5

Exclusions

- 5.1 If the life assured dies within a year of the start date as a result of their own deliberate act, or a penalty imposed by a court of law, we will not pay you any benefit under the plan.

We reserve the right to refuse to accept medical evidence or evidence of death produced from any country in respect of life cover, other than from a recognised hospital in Ireland or the UK or health professional resident in Ireland or the UK. You must write and tell us immediately if a life assured starts living in a country that is outside Ireland and the UK. We will then decide whether cover will continue and on what basis.

- 6.1 Your benefits have been calculated on the basis that the date of birth of the life assured is as shown on the application form. When you make a claim, we will ask you to provide proof of the date of birth. If the date of birth on the application form is not correct, we will recalculate the benefits in line with the correct date of birth.
- 6.2 We will not consider any claim until we have received the following:
- A properly filled-in claim form.
 - Proof that the claimant is entitled to claim the benefits. This could include proof that you have followed these terms and conditions and any special conditions contained in the plan schedule. We will ask the person making the claim for a grant of probate or letters of administration.
 - Proof (in the form of a birth certificate) of the age of the life assured.
 - The original plan documents. If they are not available, whoever makes the claim must accept legal responsibility if it turns out that someone else is entitled to the benefit.

If you are claiming for the death of a life assured, we are entitled to ask for proof of death in the form of a death certificate, and any other proof we reasonably need.

If any of the information we have been given is not correct, true or complete, we will not pay the benefits claimed. In order to validate the details you provided on application, we may ask your estate for the contact details of your General Practitioner (GP) or specialist(s). If they

fail to provide us with these details in a timely manner or fail to co-operate fully, we will not pay the benefits claimed.

Any required certificates, tests, information or evidence which Irish Life reasonably need to prove a claim must be provided to us by the estate and free of expense to us.

Situations where we will not pay a claim

When you apply for your cover, your plan schedule will give you a summary of the questions you were asked and the answers you gave us on your application form. You should check this to make sure that you have answered all the health questions accurately, including details about tobacco consumption.

We may refuse to pay a claim if you have given incorrect information on your online application. You must answer all questions on your application honestly. If you do not and you make a claim, we may not pay your benefit.

We will not pay the life cover benefit if:

- You answered the questions on your application form incorrectly or dishonestly.
- You have told us you were a non smoker of tobacco and you did in fact smoke.
- Your death is caused by suicide, or execution in a foreign country, within a year of the plan starting.

Section 7

Tax

- 7.1 Under current law, tax does not have to be taken from life cover benefits. A government levy is charged on payments that you make under this plan (as at July 2013).
- 7.2 Any taxes or levies imposed by the government will be deducted by Irish Life. We will deal with this plan in line with the requirements of the Revenue Commissioners. If tax laws or any other relevant laws change after the start date, we will change the terms and conditions of the plan if we need to do this to keep the plan in line with those changes. We will write and tell you about any changes in the terms and conditions. However, we recommend that you seek independent tax advice in respect of your own specific circumstances.
