

broker360[®] an independent portfolio modelling tool designed for Independent Financial Advisers

3 of the biggest frustrations for Independent Financial Advisers....Solved!

Is there a tool which allows me to risk rate a client in 11 simple questions?

broker360[®]

Is there software which allows me to build a portfolio with any fund in the Irish market and get that portfolio's risk rating?

broker360[®]

Can I get professional client reports produced which will incorporate my company logo?

broker360[®]

We've listened to what you've had to say and taken that feedback on board.

We've now made it easier for you to get to the areas you want to use. There are now 3 quickfire buttons which will take you straight to the areas you want:

Contact your Account Manager today about how to get your licence for Broker 360.
