

Any loving parent will do all they can to protect their family. With a Life Insurance plan you could help to protect your family financially should something happen to you.

Along with financial protection, I'd like to introduce you to Irish Life's LifeCare services which can give you access to new ways to help protect you and your family.

When you start a new protection plan with Irish Life, LifeCare services can give you and your family, for no extra cost, valuable access to expert assistance and services many of which are available 24/7, 365 days a year.

These include;

- getting a second opinion of your, or someone in your family, diagnosis and treatment plan from a world leading medical centre for over 160 conditions
- 24/7 phone access to an experienced nurse who can help in the middle of the night when a child is unwell or if you or your children have women specific health issues; or
- You would like to make use of the counselling services on offer to help with bereavement after you have made a claim.

**LifeCare** services are available when you start a new Protection plan with Irish Life for the following products: Term Life Insurance, Mortgage Life Insurance, Life Long Insurance, Pension Life Insurance and Income Insurance plans.

#### [Important information](#)

**LifeCare** gives you access to services provided by other companies which are independent from Irish Life. These services are not designed to replace the advice provided by your doctor or your own health professional, but to give you information to help direct you toward the appropriate course of action. In the future, Irish Life may change the companies listed in this leaflet as service providers. We may also withdraw access to the services listed.
