## OVER 50s LIFE INSURANCE

### WHAT IS OVER 50s LIFE INSURANCE?

Over 50s Life Insurance could give your loved ones a guaranteed lump sum when you die. It can be used to help to pay funeral expenses, or perhaps to cover any loans or bills you might still have when you die.

It is a single-life plan that pays out a lump sum when you die, however, we will only pay the cover in the first two years if you die as a result of an accident. The lump sum is guaranteed, as long as you have paid your regular payments until the date of your death or until your 90th birthday. Your regular payments stop at age 90 but cover will remain in place for the rest of your lifetime.

Anyone aged 50 to 80 who is living in the Republic of Ireland can apply for Over 50s Life Insurance and you won't be asked any medical questions when you apply.

Say for example you are aged 60 and you want to leave your family a lump sum. If you choose to take out Over 50s Life Insurance, you will have to pay a monthly amount of €46.93, so that when you die, your family will receive a lump sum of €10,000.

Please see benefits table on page 12 for more information.

The monthly payments shown above do not include the 1% government levy.

### GUARANTEED ACCEPTANCE – NO MEDICAL NEEDED

We understand that not everyone wants to go through the 'ins and outs' of their medical history to take out a protection plan - we know that some people find this awkward.

If you are aged between 50 and 80 and apply for Over 50s Life Insurance, we will not ask you for any medical details or health history and we will not ask you to go for a medical. We guarantee to accept you for Over 50s Life Insurance no matter what your medical history.

However, you are only covered for 'accidental death' during the first two years. Please see below for a full definition of 'accidental death'. Some exclusions apply.

### WHAT IS ACCIDENTAL DEATH?

For this plan 'Accidental Death' means death caused solely and directly as a result of an accident caused by violent, visible and external means and independently of any other cause.

- If you die because of an accident during the first two years, we will pay the life cover benefit shown in your schedule. (Some exclusions apply around the nature of the accidental death, for example we will not pay a claim for suicide. Please see page 9 for details.)
- If you die during the first two years of your Over 50s Life Insurance for any reason other than an accident as described above, we will only pay your estate a full refund of the regular payments you have made.

After year two of your Over 50s Life Insurance you are fully covered for life cover as shown in your schedule.

## HOW MUCH DOES IT COST?

Over 50s Life Insurance starts from just €15 a month (excluding the 1% government levy) making it really affordable. The costs of your regular payments depend on your age and the amount of cover you choose.

This Over 50s Life Insurance plan can give your loved ones a guaranteed lump sum to help pay some of the costs they may face after your death, for example any funeral expenses or bills left to pay.

Or, you could use the plan as an affordable way to leave your grandchildren their own little nest egg. To do this you should leave instructions in your will, showing who should receive the lump sum. (For more information on making a will, please see [www.irishlife.ie](http://www.irishlife.ie) or speak to your solicitor.)

Your Over 50s Life Insurance plan starts when we receive your first payment. However, we will only pay the cover in the first two years if you die as a result of an accident.

## HOW MUCH COVER CAN I HAVE?

The maximum amount of cover you can apply for is €25,000. If you have more than one Over 50s Life Insurance plan with us, the most you can apply for is €25,000 for all of the Over 50s Life Insurance plans you have added together.

Your cover is fully guaranteed and cannot increase or reduce throughout the life of your plan. This means you will know from the start how much will be paid out when you die. Your cover will not change in line with the cost of living increases each year (inflation). This means the amount of cover you choose today may be worth less in the future.

It is wise to check your Over 50s Life Insurance as inflation will affect what your guaranteed sum will be worth in the future.

As your Over 50s Life Insurance is guaranteed, you cannot make any changes to it.

Remember: Over 50s Life Insurance offers no cash-in value at any stage – it is not a savings plan.

## YOUR REGULAR PAYMENTS

Your regular payments are guaranteed never to increase or reduce throughout the life of your plan, assuming the personal information you give us on your application form or any related document is true and complete.

If the date of birth you have given us is not correct we may end your cover and refuse to pay any claim. If this happens, you will lose all rights under the plan and we will not refund your payments. If your details are not correct, please contact our customer service team on 01 704 10 10.

## ADDED EXTRA - NURSECARE

**NurseCare** gives you access to two confidential helpline services provided by Intana Assist which provide help and advice from experienced nursing professionals

- NurseAssist 24/7 and Women's Health Centre.

### **NurseAssist 24/7 - service at a glance**

- a confidential helpline service provided by Intana Assist;
- available 24 hours a day, 365 days a year;
- speak to a team of experienced and professionally-trained nurses; and
- help with treating or assessing minor family ailments or accidents, to advice on dealing with more traumatic events.

### **Women's Health Centre - service at a glance**

- a confidential helpline service provided by Intana Assist;
- speak to a team of experienced and professionally-trained nurses and midwives about any female health queries including osteoporosis and menopause-related questions.

**NurseCare** gives you access to services provided by Intana Assist. Irish Life do not provide this service and any contact you make with **NurseCare** services will be directly with Intana Assist. These services are not designed to replace the advice provided by your doctor or your own health professional, but to give you information to help direct you toward the appropriate course of action.

In the future Irish Life may change the company providing these services. We may also withdraw access to the services listed.

1. If the accidental death is caused directly or indirectly by war, riot, revolution or a similar event.
2. If the accidental death is caused directly or indirectly by taking part in a criminal act.
3. If the accidental death is caused by an assault on you which is not reported to the police.
4. If the accidental death is self-inflicted or caused directly or indirectly by you taking alcohol or drugs.

5. If the accidental death is as a result of suicide or self inflicted injury causing death.
6. If you fail to follow reasonable medical advice.

If the accidental death is caused by you taking part in dangerous pursuits, including: abseiling, bobsleighbing, boxing, flying, other than as a fare-paying passenger on a regular public airline, hang gliding, horse racing, motor car or motorcycle racing or sports, mountaineering, parachuting, pot-holing or caving, power-boat racing, rock climbing or scuba diving.

### 1. MAKE SURE THE POLICY MEETS YOUR NEEDS!

The Over 50s Life Insurance plan is a regular payment whole of life assurance plan. The plan provides life cover only for the remainder of your lifetime.

You are entering into a commitment to make a regular payment over a relatively long term. Unless you are fully satisfied as to the nature of this commitment having regard to your needs, resources and circumstances, you should not enter into this commitment.

If this plan replaces in whole or in part an existing plan with Irish Life, or with another insurer you should be aware of the financial consequences of such replacement and of possible financial loss as a result. You will be asked during your application process to confirm this in writing. Please ensure that you have completed this section of the form. You should request advice from a Financial Adviser if you are unsure of the financial consequences of such replacement and of possible financial loss.

### 2. WHAT HAPPENS IF YOU WANT TO CASH IN THE POLICY EARLY OR STOP PAYING PREMIUMS?

The plan does not acquire a cash or surrender value at any stage.

5. ARE RETURNS GUARANTEED AND CAN THE PREMIUM BE REVIEWED?

The payment is guaranteed to provide protection cover for the remainder of your lifetime, assuming no changes to your payment or benefits.

6. CAN THE POLICY BE CANCELLED OR AMENDED BY THE INSURER?

We will cancel your plan if you stop making payments before your 90th birthday.

You must provide any information or evidence which we need to administer the plan.

If we receive evidence that your date of birth as shown on your application form is incorrect, we will adjust the benefits appropriately or we may end your cover and refuse to pay any claim.

7. INFORMATION ON TAXATION ISSUES

Under current law (June 2015), tax does not usually have to be paid on life cover benefits, but in some circumstances tax may be due. For example, if the life cover is paid to your estate, your beneficiaries may have to pay inheritance tax (there is no inheritance tax due on an inheritance between a married couple or registered civil partners).

Any taxes or levies imposed by the government will be collected by Irish Life and passed directly to the Revenue Commissioners.

Where the plan is owned by a company or where payments are made by anyone other than the legal owner of the plan, for example from a company or business account, there may be tax implications. In these circumstances we recommend that a Financial Adviser be consulted regarding any possible taxation implications.

Please contact your Financial Adviser or Irish Life if you do not fully understand the likely tax treatment of any benefits payable in connection with your Over 50s Life Insurance plan. However, we recommend that you seek independent tax advice in respect of your own specific circumstances.
