## Saving €250 a month?

Look at the amount you could build up by saving €250 a month in Pinnacle for 5 years or more

By year Overall value

Irish Life

Cotonia Doich

The minimum premium on Pinnacle is  $\leq$ 250. Pinnacle is a unit linked savings plan. If you withdraw all or part of your investment within the first five years, you will have to pay an early withdrawal charge on the amount you withdraw. The returns shown are after tax is deducted at a rate of 30% (May 2011). We have assumed a rate of return of 5.6% each year, in the Consensus Cautious Fund. These estimated returns were calculated based on saving  $\leq$ 250 a month in this illustration, and on the back page,  $\leq$ 1,000 a month, with a lump sum of  $\leq$ 7,500 added in on day 1. The amount invested above assumes 5% increase every year to take into account infl ation. These returns are for illustrative purposes only and are not guaranteed. Amount saved figures shown above are net of the government premium levy of 1%. Pinnacle is provided by Irish Life Assurance plc. Information is correct as of May 2011. Irish Life Assurance plc is regulated by the Central Bank of Ireland.

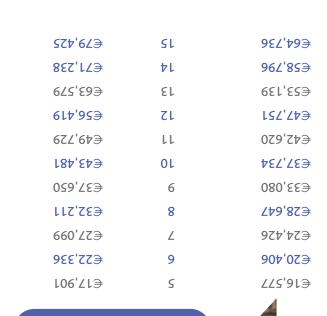

Warning: The value of your investment may go down as well as up. Pinnacle may be affected by changes in currency exchange rates.

Saving €1,000 a month, with a €7,500 lump sum?

Look at the amount you could build up by saving €1,000 a month in Pinnacle for 5 years or more as well as investing €7,500 on day 1.
